

# BMW IS COMING ! High-Tech Carbon Fiber Manufacturing Plant

At ASPI Technology Park, Moses Lake, Washington

*“This is a great day for Moses Lake...”*

*“Come to Washington State!*

*The message is clear today. That if SGL & BMW in the Global competition shows Washington State Moses Lake. All those other international companies should take a closer look at us.”*

Christine Gregoire, Governor of Washington State  
At Joint Press Conference on April 6, 2010

Joint Press Conference at Four Seasons Hotel Seattle on April 6, 2010
